

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

MARCH 20, 2007

**AMENDMENT TO ITEM #60 – INTERIM GOVERNANCE STRUCTURE (NON-INTRUSION CLAUSE)**

As the elected representatives of residents of County unincorporated areas, County Supervisors frequently are asked to provide constituent services. Many times the issues involve public safety or quality of life issues. In order to continue to provide efficient and effective services to constituents, it is vital for Board offices to have direct access to certain County departments.

I, **MOVE** that the Board of Supervisors exempt the following County departments from the non-intrusion clause when assisting constituents:

- Fire Department
- Public Works
- Regional Planning
- Parks and Recreation
